Odsek za Anorgansko kemijo in tehnologijo

To: Institute Metron, Electric vehicle development
Alpska 43, 4248 Lesce, Slovenia

Subject: EU SUSTAINABLE ENERGY AWARDS

As a Department of Inorganic Chemistry and Technology of the Jožef Stefan Institute who carried out several sustainability projects in energetics, we find your Sustainable energy cycle project highly interesting and promising great potential in establishing sustainable energy system in Europe.

Yours sincerely

Asst. prof. Gašper Tavčar
